Sri U. M. MADAPPA.—Has the Government instructed the Inspector to contact the villagers in this behalf ?

Smt. GRACE TUCKER.—Yes, during the coming year we will ask the Inspector.

Sri B. S. SHANKARAPPA.—Is it not a fact that the vacant site in the village belongs to the Government ?

Smt. GRACE TUCKER.—The villagers have to point out the vacant site and must see that it is given to the Government.

OPENING OF A GOVERNMENT HIGH SCHOOL AT CHINTAMANI.

*Q.—362. Sri M. C. ANJANEYA REDDY (Chintamani).—

Will the Government be pleased to state :—

(*a*) whether they intended to open a Government High School from the year 1961-62 itself at Chintamani in view of the fact that 750 students including 105 girl-students are studying in the Municipal High School, Chintamani ;

(*b*) whether they are aware that the accommodation at the Municipal High School is insufficient and that the Municipality is unable to extend the School building ?

A.—Sri ANNARAO GANAMUKHI (Minister for Education).—

(*a*) No.

(*b*) Yes, if the Municipality takes up further extension of the building, Government will consider sanctioning of grants.

ಶ್ರೀ ಎಂ. ಸಿ. ಆಂಜನೇಯರೆಡ್ಡಿ.—ಗರ್ಲ್ಸ್ ಹೈಸ್ಕೂಲನ್ನು ತೆರೆಯಬೇಕೆಂದು ನಾನು ಕೇಳಿದ್ದೆ. ಆದರೆ ಪ್ರಶ್ನೆಗಳ ಪಟ್ಟಿಯಲ್ಲಿ ತಪ್ಪಾಗಿ ಮುದ್ರಣವಾಗಿದೆ.

ಅಧ್ಯಕ್ಷರು.—ಅದನ್ನು ವಿಚಾರ ಮಾಡುತ್ತೇನೆ. ಈ ಪ್ರಶ್ನೆಯನ್ನು ಸ್ವಲ್ಪ ತಡವಾಗಿ ತೆಗೆದುಕೊಳ್ಳೋಣ.

CONSTRUCTION OF MILK PLANT FOR THE BANGALORE MILK SUPPLY SCHEME.

*Q.—408. Sri ALUR HANUMANTHAPPA (Nelama gala).—

Will the Government be pleased to state:—

(*a*) the steps taken to complete the construction of milk plant and the amount spent so far for the Bangalore Milk Supply Scheme ;

(*b*) the time required to complete the work and starting of the Milk Supply Scheme ;

(*c*) the number of improved breeds of cows and buffaloes imported from various parts of India and supplied in Bangalore District under this scheme ;

(*d*) whether they intend to set apart separate fund and establish a Society through which loans are distributed to ryots in this District to buy cows and buffaloes in view of the urgency of the matter ?

A.—Sri N. RACHAIAH (Minister for Agriculture and Social Welfare).—

(*a*) Land has been acquired and taken possession of. Plans and estimates have been prepared. Rs. 6.2 lakhs has been spent.

(*b*) By June 1963 as scheduled.

(*c*) Nil.

(*d*) Yes, the question is under consideration of Government.

Sri K. P. GADAG.—May I know why the Government are rather slow in implementing this scheme ?

†Sri N. RACHAIAH.—The Government is not at all slow. It is very prompt and there is no delay at any stage in carrying out this project. This will be the most up-to-date plan in India itself. It costs about Rs. 150 lakhs. According to the schedule by the end of March the work of acquisition should have been done. We have already taken action to place Rs. 6 lakhs at the disposal of the Acquisition Officer and other things are being worked out.

Sri K. P. GADAG.—How is it that Government has spent so far only Rs. 6.2 lakhs out of the sanctioned amount ?

Sri N. RACHAIAH.—In the last year only so much amount was provided to acquire the land. Only during the current year and next year we will have to spend the remaining part of it.

Sri C. J. MUCKANNAPPA.—What is the cost of the scheme ?

Sri N. RACHAIAH.—Rs. 1.50 crores.

Sri C. J. MUCKANNAPPA.—Within what time are you going to spend all this money and complete this scheme ?

Sri N. RACHAIAH.—If the Hon'ble Member wants details I shall give them. Out of Rs. 1.50 crores, the Government of India will give us 60% as grant and 40% as loan and the UNICEF will give equipment costing Rs. 30 lakhs. They will also help ugs with technicaladvice. For this project about 50 acres of land are already under acquisition and we have set apart Rs. 6 lakhs for this purpose. This was the programme for the last year and this year and next year we have got a programme. On 10–5–61 the tenders will be called for the UNICEF equipment in New York. In the month of May 1961 we will be calling for tenders for local equipment and in the month of June 1963 the project will be complete to produce milk.

Sri J. B. MALLARADHYA.—Is it one of the sanctioned schemes which is included in the Third Five-Year Plan and if so, under what category it is included ?

Sri N. RACHAIAH.—Under dairy schemes.

Dr. R. NAGAN GOWDA.—What is the capacity of this plant ?

Sri N. RACHAIAH.—The Bangalore City requires about 3 lakh lbs. and we will be producing 1 lakh seers.

Sri J. B. MALLARADHYA.—Supplementary to (c): Are you going to get 3 lakh lbs. of milk from indegenous breed ?

Sri N. RACHAIAH.—Yes, according to milk statistics, we have got sufficient milk available within a radius of 40 miles from the Bangalore City.

Sri J. B. MALLARADHYA.—Out of this 3 lakh lbs. of milk, how much are you going to bring from outside Bangalore City and how much from local production ?

Sri N. RACHAIAH.—When the plant starts producing milk, we will be having a capacity of 1 lakh seers and that will be made availiable only through co-operative societies to be organised within a radius of 40 miles from the city.

Sri S. D. KOTHAWALE.—In view of the fact that the population of Bangalore City is 13½ lakhs, what is the *per capita* consumption that is taken into account for the purpose of assessing the requirement of the City ?

Sri N. RACHAIAH.—The normal requirement is 10 ounces per head per day.

ಶ್ರೀ ಎನ್. ಜಿ. ನರಸಿಂಹೇಗಾಡ.— 1 ಕೋಟಿ 50 ಲಕ್ಷ ರೂಪಾಯಿನ ಡೈರಿ ಫಾರಂಗೆ ಬೇಕಾದ ಹಸುಗಳಿಗೆ ಎಷ್ಟು, ಎಮ್ಮೆಗಳಿಗೆ ಎಷ್ಟು, ಮಿಷಿನರಿಗೇ ಎಷ್ಟು, ಯಾವ ಯಾವ ಹೆಡ್‌ಗೆ ಎಷ್ಟೆಷ್ಟು ಖರ್ಚು ಮಾಡುತ್ತೀರಿ ?

Sri N. RACHAIAH.—Actually, we are not going to maintain any buffaloes or cows. We will collect milk through co-operatives organised by the farmers, pasteurise it and supply it to the citizens of Bangalore City. If the farmers come forward to improve their cattle or cows, we will advance them loan to the extent of Rs. 1 lakh this year and any more amount that may be required by them by way of loan will also be met.

J. B. MALLARADHYA.—You say that you are going to collect milk from the villages within a radius of 40 miles. Then, what is the plant and machinery that you are referring to ?

Sri N. RACHAIAH.—The pasteurising plant. We have also provided for the manufacture of butter and ghee.

ಶ್ರೀ ಇ. ನಾರಯಣಗಾಡ.—ಮಿಲ್ಕ್ ನಮ್ಮೆಲ್ಲಿ ಬೆಂಗಳೂರು ಸಿಟಿಗೆ ಮಾತ್ರವೇ ಅಥವಾ ಇನ್ನಾವುದಾದರೂ ನಣ್ಣ ನಣ್ಣ ಟಾನ್‌ಗಳಿಗೂ ನಮ್ಮೆಲ್ಲಿ ಮಾಡುತ್ತೀರಾ ?

Sri N. RACHAIAH.—That question does not arise. This project is only for the Bangalore City.

Sri C. J. MUCKANNAPPA.—Has any survey been made and if so, may I know the number of villages within a radius of 40 miles that are going to be benefited by this scheme.

Sri N. RACHAIAH.—That information is not available.

ಶ್ರೀ ಕೆ. ಜಿ. ರೇವಣಸಿದ್ದಪ್ಪ.—ಗ್ರಾಮಾಂತರ ಪ್ರದೇಶಗಳಿಗೆಲ್ಲಾ ಹಾಲು ಸಪ್ಲೈ ಮಾಡ ಬೇಕಾದರೆ ಎಷ್ಟು ಹಾಲು ಬೇಕಾಗುತ್ತದೆ, ಎಷ್ಟು ಡೈರಿ ಫಾರಂಗಳನ್ನು ತೆಗೆಯಬೇಕು ಎಂಬ ಸ್ಕೀಂ ಏನಾದರೂ ಇದೆಯೇ ?

ಶ್ರೀ ಎಚ್. ರಾಚಯ್ಯ.—ಶ್ರೀಮಾನ್ ಕೊತಾವರೆ ಅವರು ಮಾಸ್ಟರ್ ಪ್ಲಾನ್ ತಯಾರು ಮಾಡಿದ್ದೀರಾ ಎಂದು ಕೇಳಿದರು ಅದು 3ನೇ ಪಂಡವಾರ್ಷಿಕ ಯೋಜನೆಯ ಹೊತ್ತಿಗೆ ಮುಗಿದು 4ನೇ ಪಂಡವಾರ್ಷಿಕ ಯೋಜನೆಯ ಹೊತ್ತಿಗೆ ಕಾರ್ಯಗತ ವಾಗಬಹುದು ಎಂದು ಹೇಳಿದ್ದೇನೆ.

Sri N. BORANNA GOWDA.—Is there any proposal to start a scheme like the Aarey Colony in Bombay ?

Sri N. RACHAIAH.—There is no such proposal.

Sri C. K. RAJAIAH SHETTY.—Is Government aware that if a proper dairy farm is not opened and only a pasteurising plant is set up, there will not be enough supply of milk ?

Sri N. RACHAIAH.—There is no such fear. In fact, we will be having more milk than we expect because we are going to encourage the farmers to improve the cattle wealth.

Sri C. K. RAJAIAH SHETTY.—What is the present production of milk within a radius of 40 miles and what is the present *per capita* consumption and what is the excess that we will have ?

Sri N. RACHAIAH.—We have taken all steps to have the required milk production. The *per capita* consumption is only 4 ounce.

Sri B. N. BORANNA GOWDA.—Just as in Bombay, is there any proposal to bring milk from outside the State ?

Sri N. RACHAIAH.—There is no such proposal at present.

ಶ್ರೀ ಜಿ. ಎಸ್. ಬೊಮ್ಮೇಗೌಡ.—1963 ನೇ ಇಸವಿ ಒಳಗೆ 3 ಲಕ್ಷ ಪೌಂಡ್ ಹಾಲು ಕೊಡುವುದಕ್ಕೆ ವ್ಯವಸ್ಥೆ ಮಾಡಿದ್ದೇವೆ ಎಂದು ಹೇಳಿದ್ದೀರಿ. 3 ಲಕ್ಷ ಪೌಂಡ್ ಹಾಲು ಉತ್ಪನ್ನ ವಾಗಬೇಕಾದರೆ ಕರು ಹಾಕುವ ಹಸುಗಳನ್ನೇ ಉಪಯೋಗಿಸುತ್ತೀರಾ ಅಥವಾ ಗೊಡ್ಡು ಹಸು ಗಳಿಂದಲೂ ಕೂಡ ಹಾಲು ಕರೆಯುವ ಪ್ರಯೋಗ ಏನಾದರೂ ಮಾಡುತ್ತೀರಾ .

ಶ್ರೀ ಎಚ್. ರಾಚಯ್ಯ.—ತಾವು ಯಾವುದಾದರೂ ಪ್ರಯೋಗ ಮಾಡಿದ್ದಾರೆ ಅದನ್ನು ತಿಳಿಸಿದರೆ ಸರ್ಕಾರದವರು ಆಲೋಚನೆ ಮಾಡುತ್ತೇವೆ.

ಶ್ರೀ ಜಿ. ಎಸ್. ಬೊಮ್ಮೇಗೌಡ.—ಬೆಂಗಳೂರು ಸಿಟಿಗೆ ಹಾಲು ಸಪ್ಲೈ ಮಾಡಲು ಅಧಿಕಾರಿ ಗಳನ್ನು ತಾವು ನೇಮಕ ಮಾಡಿದ್ದೀರಿ. ಇತರ ಟಾನುಗಳಿಗೂ ಸಪ್ಲೈ ಮಾಡುವ ಯೋಚನೆ ಮಾಡುತ್ತೀರಾ ?

ಶ್ರೀ ಎನ್. ರಾಚಯ್ಯ.—ಅಂಥಾ ಪ್ರಾಜೆಕ್ಟ್ ಬಂದರೆ ಯೋಚನೆ ಮಾಡುತ್ತೇವೆ.

ಶ್ರೀ ಬಿ. ಚಾಮಯ್ಯ.—ರೈತರಿಗೆ ಹಸುಗಳನ್ನು ಕೊಳ್ಳುವುದಕ್ಕೆ ದುಡ್ಡು ಕೊಟ್ಟಿ ದ್ದೀರಾ ?

ಶ್ರೀ ಎನ್. ರಾಚಯ್ಯ.—ಈ ಸಾರಿ ಒಂದು ಲಕ್ಷ ರೂಪಾಯಿಗಳನ್ನು ಪ್ರೊವೈಡ್ ಮಾಡಿದ್ದೇವೆ. ಅವರಿಗೆ ಇನ್ನೂ ಹೆಚ್ಚಿಗೆ ಹಣ ಬೇಕಾದಲ್ಲಿ, ಸಾಕಷ್ಟು ಪ್ರಮಾಣದಲ್ಲಿ ಉತ್ತಮ ತರಹದ ಹಸುಗಳನ್ನು ಸಾಕಿದರೆ ಹುಲ್ಲು ಸರಬರಾಜು ಮಾಡುವುದಕ್ಕೆ ವ್ಯವಸ್ಥೆ ಮಾಡಿದ್ದೇವೆ.

ಶ್ರೀ ಜಿ. ಚಾಮಯ್ಯ.—ಒಬ್ಬ ರೈತನಿಗೆ ಎಷ್ಟು ಹಣ ಕೊಡುತ್ತೀರಿ ?

Sri N. RACHAIAH.—It is a matter of details.

Sri GAJANANAPANDIT.—Is there a scheme to make Milk Powder ?

Sri N. RACHAIAH.—When there is surplus Milk, we are going to use it for the manufacture of Milk Powder also.

ಶ್ರೀ ಡಿ. ಎಚ್. ರುದ್ರಪ್ಪ.—ಒಳ್ಳೆಯ ಬಹೆರೋಗಳನ್ನು ಪಶ್ಚಿಮ ಮಾಡುವುದು ಈ ಸ್ಕೀಮಿನಲ್ಲಿ ಅಳವಡಿಸುವುದು ಒಳ್ಳೆಯದಲ್ಲವೇ ?

ಶ್ರೀ ಎನ್. ರಾಚಯ್ಯ.—ಈ ಸ್ಕೀಮಿನಲ್ಲಿ ಅದನ್ನು ಇಟ್ಟುಕೊಂಡಿಲ್ಲ. ಯೋಜನೆಯ ಶ್ರಕಾರ ಆ ಒಂದು ವ್ಯವಸ್ಥೆಯನ್ನು ಮಾಡಿಕೊಂಡಿದ್ದೇವೆ.

Sri J. VENKATAPPA.—The Minister was pleased to reply that 3 lakhs lbs. of milk was available within a radius of 40 miles of Bangalore.

Sri N. RACHAIAH.—I said 3 lakhs lbs. of milk is required.

Sri J VENKATAPPA.—May I know the total quantity of milk that is produced within this jurisdiction of 40 miles round about Bangalore and what is the quantity of milk that is left over for utilisation in the villages ? Is it the opinion of the Government that only skimmed milk should be supplied to babies to feed them ?

Sri N. RACHAIAH.—Actually we require one lakh seers of milk at the time when the plant is going to produce milk. When it is actually working we are going to collect one lakh seers of milk and this one lakh seers of milk will be available for consumption of Bangalore population on that day.

ಶ್ರೀ ಸಿ. ಜೆ. ಮುಕ್ಕಣ್ಣಪ್ಪ.—ಬೆಂಗಳೂರಿನ ಪೂರೈಕೆ ಮುಗಿದಮೇಲೆ ಬೆಣ್ಣೆ ಮತ್ತು ತುಪ್ಪವನ್ನು ತಯಾರು ಮಾಡುವ ಯೋಚನೆ ಇದೆ ಎಂದು ಹೇಳಿದ್ದೀರಿ, ಎಷ್ಟು ಹಾಲು ಮಿಕ್ಕರೆ ತುಪ್ಪ ಬೆಣ್ಣೆ ಮಾಡುವುದಕ್ಕೆ ಸಾಧ್ಯವಾಗುತ್ತದೆ.

ಶ್ರೀ ಎನ್. ರಾಚಯ್ಯ.—ಆಗ ಬೇಕಾದರೆ ಹೇಳಬಹುದು. ಈಗ ಅದನ್ನು ಹೇಳುವುದಕ್ಕಾಗುವುದಿಲ್ಲ.

Sri C. J. MUCKANNAPPA.—He stated that he is going to produce even butter and ghee. I want to know what is the report of the expert committee that was appointed to go into this question.

ಶ್ರೀ ಎನ್. ರಾಚಯ್ಯ.—ಯೋಜನೆಯ ಮೂಲ ಉದ್ದೇಶ ನಮ್ಮ ಯೋಜನೆಯ ಪ್ರಕಾರ, ಪ್ಯಾಶ್ಚರೈಸ್ಡ್ ಪ್ರಕಾರ ಎಷ್ಟು ಹೆಚ್ಚು ಹಾಲಿನ ಪ್ರಮಾಣವನ್ನು ಸರಬರಾಜು ಮಾಡಬೇಕೋ ಅದನ್ನು ಮಾಡಿ ಉಳಿಕೆ ಹಾಲನ್ನು ತುಪ್ಪ ಮಾಡುವುದಕ್ಕೆ ಉಪಯೋಗಿಸಿ ಜೊತೆಗೆ 40 ಮೈಲಿ ಗ್ರಾಮಾಂತರ ಪ್ರದೇಶದಲ್ಲಿರತಕ್ಕ ಜನತೆಗೂ ಅವರಿಗೆ ಬೇಕಾದಷ್ಟು ಸಿಕ್ಕುವಷ್ಟು ಹಾಲನ್ನು ಒದಗಿಸತಕ್ಕ ವ್ಯವಸ್ಥೆಯನ್ನು ಮಾಡಬೇಕೆಂಬುದೇ ಸರ್ಕಾರದ ಉದ್ದೇಶ. ಅದನ್ನು ಬಿಟ್ಟು ಬರೀ ಬೆಂಗಳೂರಿನಲ್ಲಿ ಮಾತ್ರ ಒದಗಿಸುವುದಲ್ಲ.

ಶ್ರೀ ಬಿ. ಪಿ. ಸಿದ್ದಂತಿ.—ಹಾಲನ್ನು ಹಳ್ಳಿ ಜನರಿಗೆ ಇಲ್ಲದ ಹಾಗೆ ತರುತ್ತಾರೋ ಅಥವಾ ಅವರಿಗೆ ಸಾಕಷ್ಟು ಇಟ್ಟು ತರುತ್ತಾರೋ ?

ಶ್ರೀ ಎನ್. ರಾಚಯ್ಯ.—ಸಾಕಷ್ಟು ಅವರು ಇಟ್ಟುಕೊಳ್ಳಬಹುದು. ಬಾಕೀದು ಮಾತ್ರ ತರುತ್ತಾರೆ.

Sri P. G. SIDDANTI.—Is it the intention of Government to supply toned milk to hospitals and children ?

Sri N. RACHAIAH.—It is actually the object of Government to supply all the hospitals and also poor institutions and even the poor people will be suppplied with such milk at subsidised rate.

Sri P. G. SIDDANTI.—Will yau supply toned milk to them ?

Sri N. RACHAIAH.—All this will be examined after the plant is set up.

Sri V. P. DEENADAYALU NAIDU.—Will the Minister be pleased to state where the technical assistance begins and where it ends in the scheme ? Does it continue even with the management and administration goes on or is it just to establish the plan and then leave the entire thing to the State ?

Sri N. RACHAIAH.—We will have technical staff and also their advice even to maintain this plan after its completion.

Sri V. P. DEENADAYALU NAIDU.—At whose cost ?

Sri N. RACHAIAH.—At the cost of the Project.

Sri V. P. DEENADAYALU NAIDU —That is true. The entire machine you are going to get through American aid. But subsequently is it not the State burden or State obligation to maintain this technical asistance ?

Sri N. RACHAIAH.—We are not going to maintain any technical staff coming from foreign country. We will be having our own technical staff to maintain this project.

Sri Y. MANJAYYA SHETTY.—May I know the number of Milk supplying co-operative societies within a radius of 40 miles from Pangalore and what is their capacity of supply ?

Sri N. RACHAIAH.—That scheme is under operation. I cannot say the definite number now.

Sri Y. MANJAYYA SHETTY.—Are there such co-operative societies functioning within a radius of 40 miles from Bangalore ?

Sri N. RACHAIAH.—There may be some private co-operative societies. We are going to take them also under this scheme.

ಶ್ರೀ ಎಂ. ಸಿ. ಆಂಜನೇಯ ರೆಡ್ಡಿ.—ಚಿಂತಾಮಣಿಯಲ್ಲಿ ಒಂದು ಸರ್ಕಾರಿ ಗರ್ಲ್ಸ್ ಹೈಸ್ಕೂಲನ್ನು ಓಪನ್ ಮಾಡುವುದಕ್ಕೆ ಏನು ತೊಂದರೆ ಇದೆ ?

ಶ್ರೀ ಅಣ್ಣಾರಾವ್ ಗಣಮುಖಿ.—ಅದನ್ನು ವಿಚಾರ ಮಾಡಬೇಕಾಗುತ್ತದೆ.
